This article provides a succinct overview of the main trading strategies and suggestions made by Robbie Burns in his 2011 book *The Naked Trader* [Burns, 2011]. Its purpose is to enable the reader to quickly access the main ideas without having to read the entire book. It should be useful for those wanting to refine their knowledge of stock selection and trading. Due to the nature of the article, some prior knowledge about equity trading is required as basic definitions are not defined.
